GENERAL INFORMATION

(signature above signifies agreement to below stated information)

1. Completed test applications, *including mailed applications*, must be received with all fees by the Club Office no later than 5 pm on the deadline date posted at the Club (or see www.pschs.org). Incomplete applications shall not be accepted and will be returned to the Applicant. Applications received after that time will be considered late. (See #5 below).
2. Test Applications (including Test and Late Fees), Special Scheduling Requests for Applicants and their Coaches, and compliance with the 27-day rule for re-trying tests are the responsibility of the Applicants, their parents and guardians.
3. Test Fees may be paid only by Visa, MasterCard, or a check made payable to Philadelphia Skating Club and Humane Society. A \$40 fee shall be charged for all checks returned by the bank for any reason.
4. Special Scheduling Requests by Applicants and their Coaches must be submitted IN WRITING with the Test Application. There are **NO GUARANTEES** that such requests can be accommodated as scheduling involves many variables.
5. Late Applications received after the application deadline require an additional Late Fee of \$25 per applicant, but are accepted only at the discretion of the Test Chair.
6. Fees for a special Test Session that is not part of the regular schedule shall be based on a pro rata share of the actual Test Session expenses if the regular fees do not adequately cover the costs of the session.
7. Test Fees (including Late Fees) are not refundable so please be sure you are available to test at any time on the scheduled test day. If a test cannot be scheduled by the Test Committee, it will be forwarded to the next Test Session. All fees are forfeited if the Applicant withdraws from a test or is unable to take a contingent test.
8. Applicants should be prepared to test up to one hour before their scheduled time. If the Test Session runs early and the Applicant is not present or prepared to test, the Applicant forfeits all fees for that test. The presence of an Applicantø Coach is the responsibility, and at the discretion of the Applicant. An Applicant may retain an alternate coach if his/her Coach is not present.

9. Coaches need to be USFS coach registered as well as CER compliant, Category A or B. Coaches may be required to show their credentials to the Office at Test Sessions.
10. T.R. 6.03 - U.S. Figure Skating and its member clubs (PSC&HS) conducting tests undertake no responsibility for damages or injuries suffered by the candidates. As a condition of and in consideration of the acceptance of their applications, all candidates and their parents and/or guardians will be deemed to have agreed to assume all risks of injury to the candidates person and property resulting from, caused by or connected with the conduct and management of the tests, and to release any and all claims which they may have against any officials, U.S. Figure Skating, the Club hosting the tests (PSC&HS) and against their officers. Applications will be accepted only under the foregoing conditions.
