Find wonderful gifts for your favorite skater and convenient VIP skating passes and gift certificates for family and friends. All proceeds to benefit the warm-up room renovation.

The Holiday Shop will be open December 2-23 in the Skate Shop. Visit us during our Basic Skills, Family, and Learn to Skate sessions.

From the Development Committee

The very heart of our skating club is our spectacular and historical significant building that is widely admired and the envy of every skating club. In order to preserve and improve this remarkable asset, we have started exploring various fundraising strategies. Currently, I am reaching out to specific members for donations to renovate our warm up room. This renovation would enable us to hold off-ice classes in a beautifully appointed new space complete with mirrors, improved lighting and a brand new floor. When successfully completed, it will be an ideal and rentable space for birthday parties and other activities.

If you as a member would like to make a lasting impact on the future of our club, there are several gift arrangements from which to choose. Your donation could go to work today or benefit the club after your lifetime.

For those who might wish to make a donation to our club's future, please consider joining our *Legacy Circle* by filling out a simple form today that will have an enormous impact on succeeding generations. A number of our members have already chosen to make such legacy gifts through a bequest, a pension plan or IRA designation, and through an endowment. As a *Legacy* donor you and other generous members will ensure that the PSCHS, America's first and most unique skating club, will continue its mission to preserve and promote the sport, art and history of figure skating for recreation and competition now and in the years ahead.

Please don't hesitate to contact me in order to meet and discuss your planned tax-deductible donation to the club. We are and will be so very grateful.

Charlotte Martin, Development Chair

Thank You from the Adult Synchro Team!

The Adult synchro team would like to say a special thank you to Marcia Wiker, who gave a generous donation to the team in memory of James Vance, husband of Marcia Vance, a past precision team member.

Stay tuned for more information on how you can support your favorite activities at the club in the upcoming Annual Fund letter.

The Perfect Gift!

Would you like a way to acknowledge a special event, occasion, or person? A donation to any of the club activities listed below, or just to the club in general, is the perfect way to show your support for your fellow club members. Want to say congratulations to a friend for passing a test? Acknowledge a fellow club member's special occasion (birthday, wedding anniversary, confirmation, Bar/Bat Mitzvah, etc.)? Say thanks to your coach or a club employee? Honor someone's memory?

Consider making a donation of ANY amount (\$5-\$500 or more!). Just drop off the donation to the office in an envelope, indicating which activity or committee you would like the donation to go to. The names of all donors and honorees will be published in the Twist (and acknowledged privately).

What a great way to honor your fellow club members/employees while supporting your favorite club activity or committees!!
