Volunteers Needed! Not only are we looking for Adult skaters to compete but we are also looking for plenty of volunteers to ensure that this event will be a success and a memorable event for our adult visitors. Let the office know now that you are available and willing to help us out.

Advertising Opportunities! The PSC&HS is proud to be hosting the 2016 Adult Eastern Sectional U.S. Figure Skating Championships from March 4-6. More than 200 adult competitors from across the Eastern states will take to the ice in order to qualify for the U.S. Adult National Championships to be held in Ann Arbor, Michigan this April.

Our adult competitors are a diverse group of skaters who travel throughout the country to compete in various skating events in such disciplines as single free style skating, ice dancing and pair skating. This is the first time PSCH&S will host an Adult Championship and we are proud to have been selected as this year's Adult Eastern Sectionals host club and we hope you will give our competitors a special welcome when they visit us in March.

We invite you to be a part of this special event by offering you two opportunities:

1) Place an advertisement for yourself and/or your business in our official competition program; or 2) Become a sponsor of our competition. For all levels of support we will prominently feature you or your company or business in our program book. For the Gold level we will display a banner in our club for one year (you provide the digital artwork). The following levels of sponsorships are available: Gold \$1,000; Silver \$500; Bronze \$250; Pewter \$100:

Advertisement fees will be used to support our own club competitors and PSCH&S. Attached is a fee schedule for your consideration.
