

HOW TO JOIN

1

PICK A PLAN

Your first step is to pick a skating plan. We offer options from recreational to competitive skaters. See Club Member Skating Plans for details.

Flexible a la carte system

You can mix and match skating plans to suit each member of your family. For example, if you have a competitive skater, you could choose a combination of Unlimited for the competitor and Recreational for family members who want to skate casually.

Our recommendations

- If your skater is between Basic 3 and Preliminary, we recommend Team Aspire.
- If you want to skate at weekend family sessions, we recommend Recreational.
- If you want to skate more than 3 times a week, we recommend Unlimited.

2

APPLY AND SUBMIT YOUR DUES

Submit your application with a check payable to PSCHS. Your membership is provisional until you attend a Meet & Greet. You'll receive an invitation by email. Feel free to skate during this period.
