- Only skaters, involved coach, and employees will be allowed in the facility during time slot (no spectators or parents).
- Skaters & coaches may not enter the Club earlier than 15 minutes before session start time and must leave within 10 minutes of end of session.
- All persons entering the Club (skaters, coaches and employees) should wear masks; masks must be worn (covering your nose and mouth) at all times while within the building (unless engaged in high intensity skating).

- All skaters should do their best to stay distanced from other skaters while on the ice
- Sessions will be pre-booked in a reservation system overseen by the Director of Skating.

If you have traveled, or plan to travel, to an area where there are high cases of Covid-19, it is recommended that you stay at home for 14 days upon return to PA. Covid-19 Disclosure and Release

Exposure to COVID-19 is an inherent risk in any public location where people are present; we cannot guarantee you will not be exposed during your visit. The CDC advises that older adults and people of any age who have serious underlying medical conditions might be at higher risk for severe illness from Coronavirus. Guests should evaluate their own risk in determining whether to skate. People who show no symptoms can spread Coronavirus if they are infected and any interaction with the general public poses an elevated risk of being exposed to Coronavirus. By participating in on and off-ice activities at the PSC&HS, you acknowledge and agree that you assume these inherent risks associated with attendance.

We ask that you disclose any indication of having been exposed to the Covid-19 virus. We also ask that you please inform the office if your exposure or health changes at any time after the completion of this form.
