

“PAVING” THE WAY

In 2012, an anonymous donor generously donated funds to build a new front entrance. Construction began in June of that year and the new entrance was completed and ready for our 2012-2013 Club season.

Commemorative brick pavers were and are still available for purchase to help “PAVE THE WAY” for future skaters.

The PSCHS Brick Paver Program gives you the opportunity to have your special message engraved on a paver stone that becomes a permanent part of the PSCHS “Walk of Fame.” By purchasing an individualized brick paver, your commemorative message will welcome the numerous skaters and skating enthusiasts that visit our Club. This is an ongoing project. We have 2,200 bricks to fill, and applications are available online and in the Club Office.

This is a great way to honor any special occasion including the birthdays and anniversaries for those special people in your life !
