

Mask Guidelines Update

Effective March 31st, wearing a mask will become optional for all while in the building (this includes Learn to Skate and Public Sessions). Wearing a mask should be based on your personal preference, informed by your personal level of risk.

Covid-19 still remains an inherent risk of illness. If you do not feel well or have experienced a direct exposure to the virus, please stay home.

If you are not vaccinated, wearing a mask is recommended, but not mandatory.

Please be aware, Montgomery County is currently in the “Low” level of Covid cases. We will continue to monitor the local and governmental guidelines and should any guidance change, we will adjust our policies accordingly.
